### Photocopy of Credit card (both sides)

#### Cancelations and No Show:

All cancelations must be by written, fax or e-mail indicating the reservation code.

Cancelations received before the dateline for confirmation will not be penalized, neither would be the reservations canceled five (5) days before the check in date. In this case the deposit must be used for a future reservation within a year of the original reservation date.

Cancelations fees for reservations canceled less than five days prior to the check in date, and no show will correspond to the amount of the first night (rate/night). In the case of groups of 5 rooms or more, where 50% of the total reservation has been paid in advance, 10% of the total amount of the reservation will also be charged for administration fees in addition to the first night. The remaining amount must be used for a future reservation within a year of the original reservation date.
